TAKE OFF FROM HERE

Experience the ultimate Canadian aviator's playground in beautiful British Columbia.

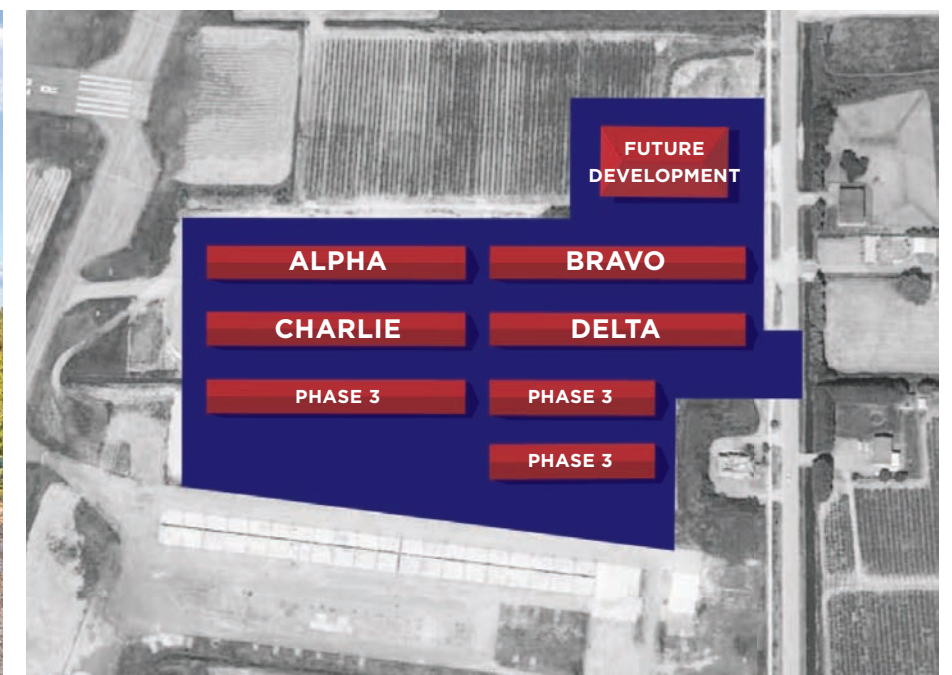

With short flights to stunning lakes, rivers and provincial parks, or longer hops to the Sea-to-Sky corridor and Gulf Islands, our location is the perfect base for recreational sightseeing or a weekend escape.

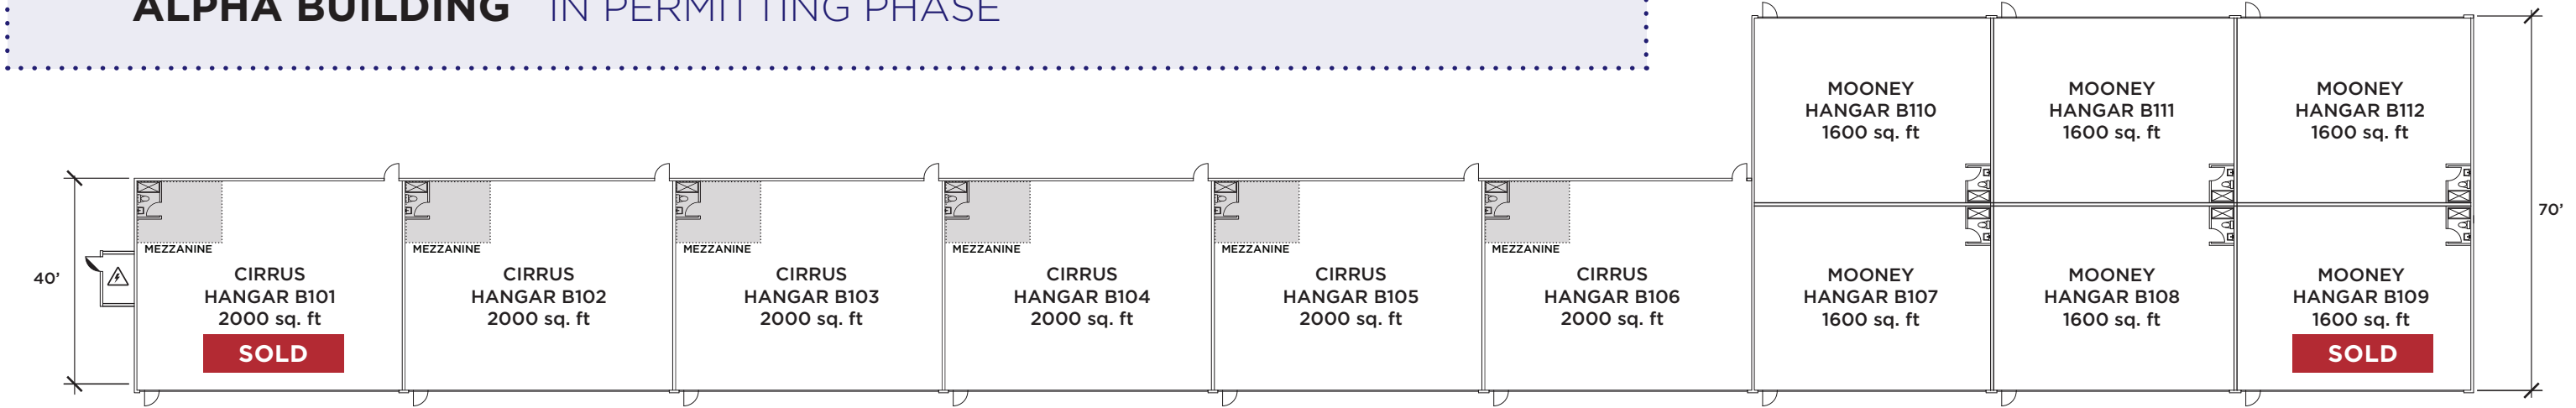

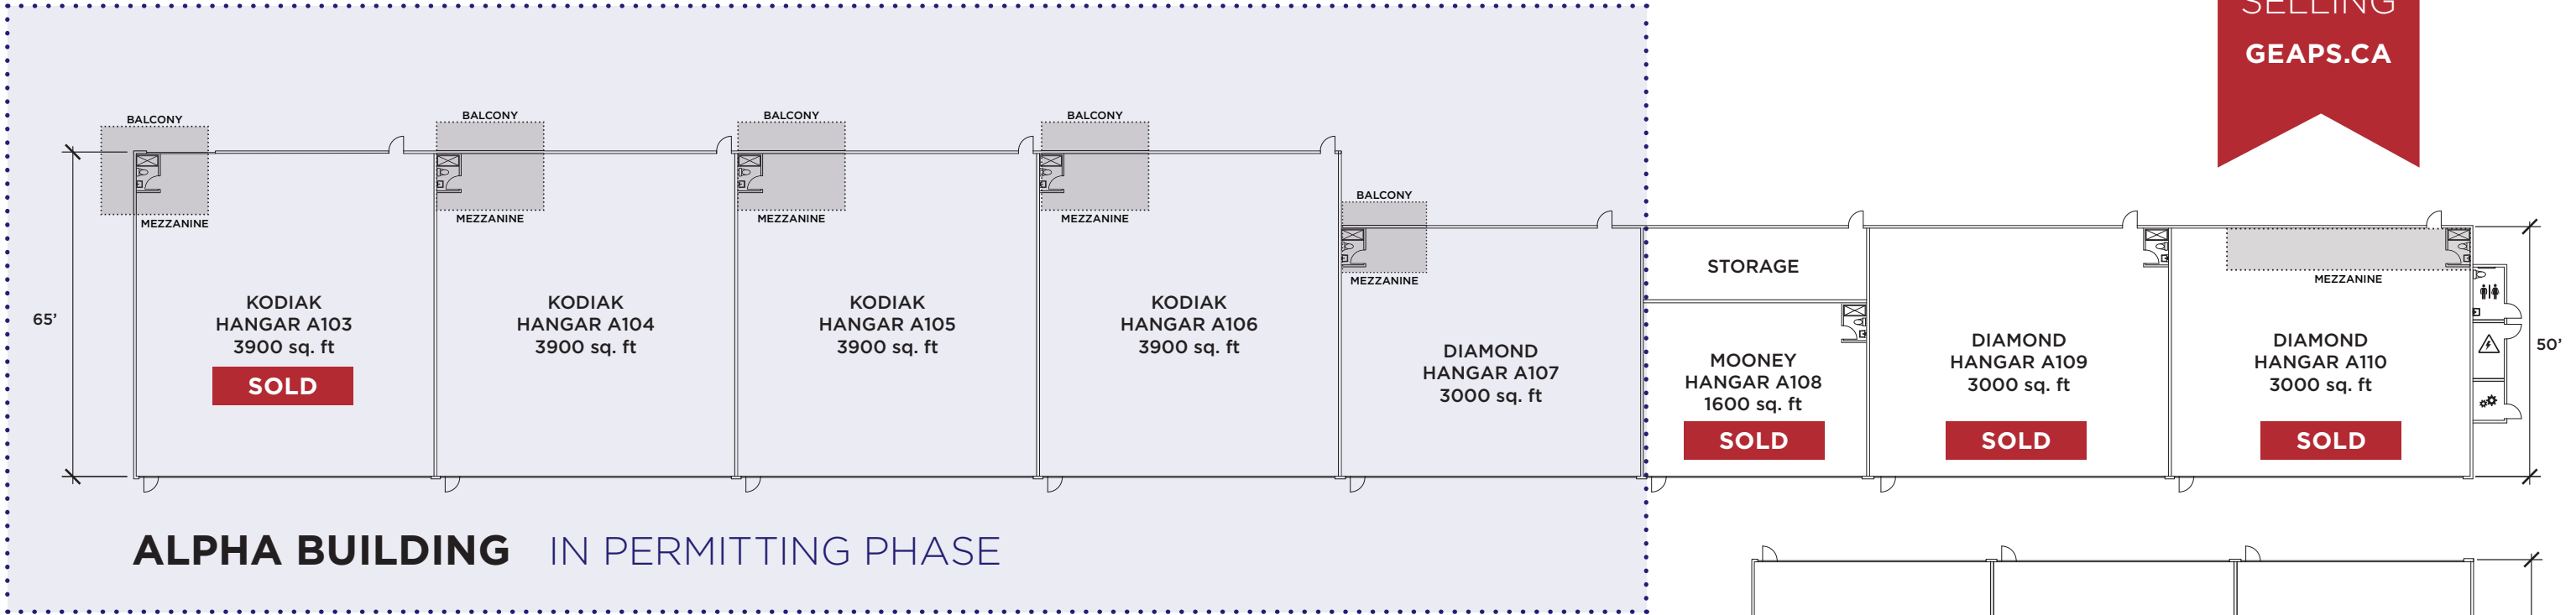

LOCATION WITH AIRPORT ACCESS

Golden Ears Airpark offers secure gated entry with a direct connection to the revitalized Pitt Meadows Airport (YPK), a thriving hub for aviation.

Members enjoy immediate access to runways, fuelling and on-site services, with the added convenience of being only 40km from downtown Vancouver.

YOUR HANGAR, YOUR WAY

Our hangars provide up to 3,900 sq.ft. of customizable space, offering secure storage for single or multiple aircraft fleets. Larger hangars +/- 10,000 sq.ft. also available.

Select units feature a mezzanine or balcony, with the option to add a lounge, office or kitchen to create a hangar customized to your vision.

YOUR OPEN DOOR TO FLIGHT

Our hangars are crafted with a custom-colour metal panel exterior, durable metal roofing and smooth-finish concrete flooring.

Each hangar is equipped with high-performance Diamond Doors bifold hangar doors, featuring window panels and automatic operation for ease and efficiency. An integrated man-door provides convenient exterior access.

QUALITY INTERIORS TAILORED FOR YOUR LIFESTYLE

Each hangar is fully insulated and drywalled, featuring a three-piece washroom for convenience and comfort. Every unit comes with 240V high amperage service, water, sewer and natural gas connections, optional climate control upgrades, LED lighting throughout, and fire sprinklers for enhanced safety and peace of mind.

Customize your space with optional kitchen, office, or lounge areas, creating a hangar that functions as both a workspace and a social retreat. Perfect for hosting fellow pilots or enjoying downtime between flights.

Additional storage, mezzanine, and balcony options provide flexibility for aircraft gear, personal collections, and leisure pursuits, combining functionality, security, and style in a single, refined space designed for the discerning aviator.
